RAJYA SABHA

Government has promulgated on 5th June, 2000 the Solvent, Raffinate and Slop (Acquisition, Sale, Storage and Prevention of Use in Automobiles) Order 2000 and the Naptha (Acquisition, Sale, Storage and Prevention of Use in Automobiles) Order, 2000 under the provisions of the Essential Commodities Act, 1955.

Further, the oil marketing companies carry out regular /surprise checks of retail outlets, to prevent various malpractices including adulteration. In addition, special drives are launched by the oil companies both on their own and also under direction of Government from time to time to check malpractices. Further, to prevent adulteration various steps like blue dyeing of kerosene (Public Distribution System), furfural doping filter paper test, checking of retail outlets by mobile laboratories, etc. are undertaken by the oil companies.

The necessary action is taken against the erring dealers as per the dealership agreement of the oil marketing companies which provides termination of dealership if the quality of the products is tampered with.
